

# HOW TO GAB IN GAYSIAN

Sometimes members of a group pepper their conversations with sexual euphemisms, saucy slang terms, and just flat-out un-PC parlance. Since there isn't an official English-Gaysian dictionary, *Out* offers you a small menu of words you might want to know in order to verbal-vogue it like a queer Asian.

## OLD SCHOOL

**Rice queen** n : a non-East/Southeast Asian queer male who almost exclusively dates East Asian or Southeast Asian queer men

**Curry queen** n : a non-South Asian queer male who almost exclusively dates South Asian queer men

**Potato queen** n : a gaysian who almost exclusively dates Caucasian queer males

**Sticky (rice)** adj, n : a queer East/Southeast Asian man who dates other queer East/Southeast Asian men

**Taai taai** n : an older Chinese-American queen

## NEW SCHOOL

**Egg salad** n : a half-East/Southeast Asian and half-Caucasian person

**FOBulous** adj : fresh off the boat and fabulous

**MP** n : (abbr) short for Manservant Ping, an epithet used in disdain by gaysians toward docile, submissive, spineless gaysians

**Dog eater** n : a gaysian who unapologetically uses men for all their emotional, sexual, and financial worth because they feel men are dogs by nature

**Rice and beans** n : a gaysian and Latino queer male couple
