Dear Bishop Murphy,

This letter is to inform you of a serious situation at St. Anthony's in Oceanside. I have made numerous calls to your office which I believe have fallen on deaf ears.

Nicholas Coppola is a Religion Teacher at St. Anthony's. I have also seen him involved with other Parish work including his name on a board for "THE ST. ANTHONY PROJECT" to raise money for air conditioning in the Church. The problem is that he is a homosexual. He was recently married to another man. He does not hide this or keep it silent.

With all that The Catholic Church has been dealing with and trying to stop, WHY IS THIS PERMITTED?

We are trying to keep our children on the right path to Heaven. Teaching them that LIFE begins at conception and ends at Natural death PRO-LIFE!!!! We also have been trying to keep MARRIAGE a Sacrament BETWEEN A MAN AND A WOMAN!!!!

How do we do this when the Church we attend is endorsing it?

I will not give my name. We live in a time when you stand by your beliefs that go against MAN'S LAW and stand up for GOD'S LAW, there is a backlash.

Vivat Jesus!
