⚠️ Anyone who suffered Kidney or Bone Damage after Truvada/PrEP may be entitled to Financial Compensation 📌

Gilead concealed the risks of Kidney & Bone Damage with Truvada, Viread & other PrEP Medications. They also developed a safer less toxic version of their drug but kept it secret for over a decade.

Click or Call (888) 508-0836

Anyone that suffered damage to their kidneys, weakened or Fractured Bones may be entitled to Compensation.

Call (800) 370-2322 or begin the Lawsuit Compensation Evaluation.

👻 Big Pharma under legal fire for selling PrEP... 💊 Americans who have been prescribed Truvada, Viread, Atripla, Complera, or Stribild between 2016-2019 may be entitled to significant compensation... 💰 Take 1-Minute Survey To See If You Qualify ⬇️⬇️

Help for Prep/TDF Drug Injuries

Sponsored ·

East Baton Rouge Parish has one of the top 500 HIV rates in the country (source: CDC). PrEP/TDF medications, used to prevent the transmission of HIV, may be linked to kidney or bone problems.

Those injured after using a PrEP medication (like Truvada) are asked to take this short evaluation. Compensation may be possible.
