Partners safe in marriage amendment

By DARRYL_GODELIA

In the wake of the legal victory by the Supreme Court of the United States, the issue of marriage equality has been brought to the forefront of public discourse. The recent decision has raised questions about the implications of this new legal landscape on the safety and security of same-sex couples.

Needs of wheelchair-bound ignored

By JACOBE

In recent years, there has been increasing concern about the needs of individuals with physical disabilities. Despite this, wheelchair-bound individuals continue to face significant barriers in gaining access to public transportation.
